

**PRAY LIKE DANIEL:**

- Recognise the significance of the moment
- Pray reverently to our awesome God
- Thank God for His greatness and faithfulness
- Identify with our nation's sin - no spin, rationalisation, or self-exemption
- Affirm God's grace and forgiveness in the past
- Pray for God's sake, His glory, and His reputation

**WHAT HAPPENS THEN?**

- Prayer isn't passive, it's active. It's really doing something. Prayer isn't the least we can do, it's the most.
- Prayer is supernatural. It's reaching out of the visible world into the unseen world, and tapping into powers beyond this dimension.
- Prayer is trusting God that He can accomplish more when I'm on my knees than I can accomplish on my feet.
