### God Sent

This week's reading was Exodus 3 v7-12. The story continues from last week when we read about God calling Moses. The passage describes God telling Moses that He is sending him to rescue the Israelites from Pharaoh. Moses questions his suitability for the task.

Now read Jonah Chapters 1-3.

Jonah is sent by God to the people of Nineveh, but the book does not explicitly tell us how God spoke to Jonah to send him.

Share an example with your group or with a friend of a time when you have known God's call. Where did He send you, or what did He ask you to do? How did you hear God?

The story is an extreme example of a refusal to heed God sending you. What lessons can we learn from this?

Read the following passages and compare the ways the different people hear God's call.

1 Samuel 3 v2-10

Isaiah 6 v1-8

Acts 10 v9-22

Where is God currently calling us?

Spend some time in prayer to each other in the places God has called us to be at this time (on our frontlines).
