

## **Life Group Notes – Sunday 31 March 2019**

### **Our God Rescues us from our Brokenness**

Romans 12 v9-13

The services at St Andrew's focused on fostering and adoption

Read the above passage from Romans

If anyone in the group has experience of fostering or adoption, encourage them to share their experiences.

How do you think the church can best support those who foster or adopt children?

The passage in Romans talks about 'sharing with the Lord's people who are in need'. God will call each of us to do this in different ways. Encourage people to share their personal callings and any particular challenges they currently face. Pray for each other.

Mark 5 v21-34

The services at All Saints focused on the theme of rescue from our brokenness. The passage describes the miraculous healing of the woman who had been bleeding for 12 years.

Encourage people to share their reactions to this miracle.

How do we feel/react when people we love are not healed?

This question is often asked by people who are exploring faith. How do we respond in a meaningful and helpful way?

If you have had time to look at both passages, consider how the two topics are linked.
