

St Andrew's & All Saints Discipleship Survey

As a church we are committed to helping people grow as disciples. As part of that, we'd love at the start of this year, to find out anonymously where people are on their discipleship journey, and to hear from you the challenges you face and the support you need. This will help us be more effective as a church at discipling and planning our programmes. So we'd love to invite you to fill in this questionnaire. Please don't put your name on it and do be honest so that we can get an accurate snapshot of where people are and the support they need. We will feed back the results of this in due course. Thanks for being willing to take part.

My faith informs my life and the Holy Spirit helps guide my decisions and actions					

5) Faith Journey:

Please tick which ONE of the following best describes where you are at in your faith journey?

- EXPLORING FAITH:** I'm not sure what I believe and am just investigating it all.
- CHOOSING FAITH:** I believe in God & have chosen to become a Christian. I may be still working out what it means to live this out & have a 'relationship with Jesus'. My faith isn't currently a significant part of my life. I may pray to ask for help from God when I need it.
- FOLLOWING JESUS:** I'm growing in my relationship with God and trying to 'follow Jesus.' My faith is important to me and does have some impact on my life and the decisions I make. I'm open to God using me and I try to pray and read the Bible and follow what it says in my everyday life.
- SENT BY JESUS:** I have a strong relationship with Jesus and am continuing to learn what it means to 'walk with Him' in the whole of life. I am committed to spending time with God daily in prayer and scripture and be open to the Spirit's leading. I think I know where God has called me to, and can see him using me in some ways to 'proclaim and demonstrate' the Kingdom.
- JESUS-CENTRED:** My relationship with Jesus is the most important thing in my life and it guides everything I do. I try to offer every aspect of my life to Him and seek to be a disciple maker and be used by Him
- STUCK! (or 'GROWN COLD'):** I might have been in any of the above places in the past, but currently I feel stuck in my faith, distant from God, just 'going through the motions,' or maybe even going backwards.

6) What topics would you find it helpful for the church to teach into or what do you feel you need training/equipping for to be a more effective disciple?

Anything else to add about how the church can help you grow in your faith? Please continue on a separate piece of paper and put your name if appropriate and if you would like us to follow it up with you.
