

Advent - It's nearly Christmas!

Hi Everyone,

Here are a few ideas that you can do at home over the Christmas holidays, we'll be back on Sunday 3rd

December with our regular resources. Have a good Christmas, be kind to one another, do little things with great love and remember to put Jesus at the centre of everything you do!

Love from Helen and the team xx

Come to Messy Christmas on Christmas Eve, register on the website to receive the resource bag (I promise it won't be too messy at home!):

Make nativity figures, use cardboard, pegs, paper or whatever you can find to create your very own nativity set. Maybe when you have finished you could use the characters to tell the story to someone else?

Make Baby Jesus in the manger cakes for your family or neighbours. You will need some chocolate and breakfast cereal - shredded wheat looks most like hay - jelly babies and some white fondant icing. Melt the chocolate (ask a grown up to help) and stir in the cereal and spoon in paper cases. Roll out the fondant icing and cut out a circle, use this to wrap up the baby and lay him in the manger!

Think - what can I do to keep Jesus at the centre of our Christmas, maybe light a candle at meal times to remember Jesus, Light of the World or set up a little prayer space and take time each day to sit and thank God for sending his Son Jesus to rescue us, to hear what Jesus is saying to you and to spend some time with him. Maybe you could draw a praise poster?

Oh come let us adore Him

... and the glory of
the Lord shone
around them... Luke 2:9
