Church Unity Is Not Optional

In this provocative, hope-filled book, best-selling author Francis

Chan challenges us to see what keeps us from being unified as Christians across denominations and cultural differences—and why it needs to change.

We have to hate sin, love truth, and pursue unity for the Church. This is messy, but no matter what, Christians must give everything they have to the pursuit of a unified, restored Bride.

A GREATER GLORY

From Pitch to Pulpit

Gavin Peacock

Premier league footballer turned pastor Gavin Peacock tells the story of his career and his faith in this fascinating, thought-provoking and personal read.

As a pastor who would have loved to be a footballer I really enjoyed this book about a footballer who loves being a pastor. A terrific story of someone who has spent his life heading towards the goal to receive a prize that doesn't tarnish with time.

Welcome to *Take Note*

We've been focusing a lot on the subject of hope in the last few issues of Take Note as we've journeyed the various ups and downs, restrictions and lockdowns of the COVID-19 pandemic. It does appear that, finally, we may be seeing the light at the end of the tunnel with restrictions due to be eased over the coming weeks, and possibly a lockdown-free summer.

We pray that churches may be able to not only meet again with freedom, but also to start engaging with their local communities once more to share more than the light at the end of the tunnel - the light that only Christ can shine into our lives and neighbourhoods, and the real hope that comes with that light.

In this bumper edition of Take Note we bring you the usual raft of the best new books and resources at special prices alongside an extra selection of best-sellers and titles you may have missed during these times of lockdown. We're delighted to feature the new book from Francis Chan on church unity on the front cover, and I'd particularly draw your attention to our Voices of Hope selection on p.5, and the Living for Christ selection on p.12, as well as the latest biographies, books tackling contemporary issues, music and DVDs and much more...

Please do remember to support your local Christian bookshop and rediscover the unique joy of browsing in a real-life bookshop once again.

Every blessing,

GUVNA B

In *Rejoice and Tremble*, Michael Reeves argues from Scripture that godly fear is the opposite of being afraid of God or his punishment, as if he were a tyrant. Instead, it is the intensity of the saints' love for, delight in, and enjoyment of all that God is.

Bouncing Forwards

Patrick Regan with Liza Hoeksma

'You'll bounce back...'

How many of us have heard these well-meaning words when faced with mental or physical health challenges, trauma or the loss of dreams? And yet, life's battles can leave us scarred and changed. Exploring resilience, acceptance and emotional agility, Patrick shows how we can find meaning in some of life's toughest moments and the hope to journey on.

Never Too Far

Louie Giglio

A person can never get too far from God and His plan and purpose for their life that they can't get back to Him and have a fresh start. There is always a way forward that will prevent a person's current circumstances from having the final say in life.

God has a plan for a comeback. It's never too late for Him, no matter what kind of challenge an individual is facing. Louie Giglio shares the good news that God is in the business of giving fresh starts to people. He gives hope to the hopeless. Direction to the directionless. Help to those who need help.

Minor Prophets, Major Prayer

Debbie Duncan

Many of us think prayer is complicated. We are not sure how to pray and so just do not do it. To get help in praying we often turn to the New Testament or the Psalms for inspiration. Yet buried in the often overlooked minor prophets in the Old Testament are pearls of wisdom that in fact form the raw material of prayer.

These biblical characters may be called minor prophets, but they can teach us major truths about prayer.

I'm Praying for You

Nancy Guthrie

Through forty carefully-chosen Scripture passages, Nancy Guthrie opens up the wealth of scripture to teach us how to pray for those who are hurting. She shows us how the Bible provides us with a vocabulary for prayer that enables us to ask God to achieve what he intends in and through suffering.
