Light In The Darkness

"Do not be afraid. I bring you good news of great
joy that will be for all people" Luke 2:10

StAndrew's & AllSaints

Partnering with God in the flourishing of our communities

Message from the Rector:

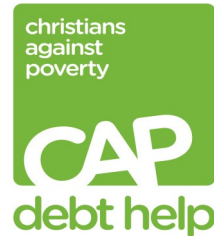

More than 2000 years ago, over a dark hillside in Bethlehem, God chose to shine an overwhelming light. An angel appeared within it and said to the Shepherds "Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Saviour has been born to you; he is the Messiah, the Lord."

God came into the darkness of this world in the person of Jesus to show us his love, bring us his hope and offer us his peace. No matter how dark the world around us becomes, Jesus is the light who continues to shine in the darkness. His light still breaks through into our lives today when we come to Him.

Jesus said "I am the Light of the World." These are words of hope for us now in what will be a challenging season for many with the current cost of living crisis. We, like others, are here to support and offer 'warm spaces' - our toddler groups, bereavement café, Tuesday morning café at the Octagon, and of course our Sunday and Thursday services. We are also able to offer a listening ear, and debt support to those in need.

We'd love to invite you to join us at any of our Christmas services as we celebrate again this amazing Christmas story. Wishing you a very happy Christmas from all at St Andrew's & All Saints.

Revd. Dave
